

Beermosa

Ingredients:

Name	Portion Size
Orange Juice	3 oz
Local Beer	12 oz
Quarter Orange Wedge	garnish

Quality Tip

Tilt glass slightly while pouring beer, to minimize foam.

Food Safety Tip

Rinse out bar utensils after every use.

Profit Tip

If you follow the recipe correctly, you should use 1 - 12oz beer.

Pouring Instructions: Pour juice into a pint glass and top with beer until a half inch of foam hits the top of the glass. Garnish with orange wedge.
